Mc MINING GROUPE PICHORI Quality First

LEADER IN INDUSTRIAL TOOLS & EQUIPMENT

# Technical sheet

**Polisher -Variable speed Polisher 178mm M14 1150W**

Marque: DEWALT

Ref Product: wire:DWP849X-GB

Ref Mcmining: DEWALTDWP849X-GB

| DESCRIPTION | |
|---|---|
| | Abrasion protected high power motor for increased durability<br>- Dust sealed bearings and components for a long product life<br>- Full power variable speed electronics with constant speed control<br>- Heat treated precision gears for smooth power transmission<br>- High-flex cable for maximum flexibility and long life<br>- Spindle lock for quick wheel changes<br>- Cut-off brushes to prolong motor life<br>- Brush access window for better serviceability<br>- Top rubber bumper to protect from scratching the work piece<br>- Standard<br>- Rubber backing pad<br>- Polishing bonnet<br>- Outer flange<br>- Side handle |
| **SPECIFICATIONS** | |
| | - Power Input: 1150 Watts<br>- Power Output: 670 Watts<br>- No Load Speed: 0-3000 rpm<br>- Max. Disc Diameter: 178 mm<br>- Spindle Thread M14<br>- Weight: 3.8 kg<br>- Length: 455 mm<br>- Height: 135 mm<br>- Total Shipping Weight: 4kg |
