Technical sheet

Diamond - Extreme Laser blade for Abrasive Block Cutting - diam 115mm

Marque: DEWALT

Ref Product: wire:DX4721

Ref Mcmining: DEWALTDX4721

APPLICATIONS	
- Especially designed for abrasive block cutting applications.	
Features	
- High performance also in solid concrete. - Removal of dust is faster which improves safety in operation.	
Specifications	
Diameter mm	115
Bore Size mm	22.2/20
RPM	13300
