Mc MINING GROUPE PICHORI Quality First

LEADER IN INDUSTRIAL TOOLS & EQUIPMENT

Technical sheet

Drive Air Impact Wrench - speed 7225-5330 rpm

Marque: PROTO

Ref Product: wire:J150WP-J175WP

Ref Mcmining: PRJ150WP - PRJ175WP

Features

- **Titanium** housing helps to reduce weight, improve balance and ensure maximum durability.
- Three position power regulator for forward rotation. Reverse rotation operates at maximum for highest breakaway torque.
- Machined motor housing reduces number of parts, creating precision alignment, reducing wear, increasing efficiency and simplifying maintenance.
- 360º Rotating Air Inlet Fitting.

MADE IN USA

Ref	Ref	Drive size	Breackaway torque (ft.lb)	Weigth (lb)	Length (inch)	Average air consumption (cfm)	Blow rate (bpm)	Free speed (rpm)
J150WP	**PRJ150WP**	1/2"	1260	4,6	7,1	5,1	1160	7225
J175WP	**PRJ175WP**	3/4"	1560	8,4	8,9	7,1	950	5300
