7-Piece Two-Piece Design Drive Pin Punch Set

Marque: PROTO

Ref Product: wire:J47A

Ref Mcmining: PRJ47A

Features and Benefits
• This Drive Pin Punch Set has 7 pieces • Two piece design allows tip to have a higher hardness for greater durability and allows the tip to be produced straighter to prevent binding • Modified parabolic struck end for greater resistance to mushrooming and chipping • Black oxide finish and a polished identification panel marked with tool number and size
