Uno 50 All-in-One Ultra Affordable Solar LED Light

Marque: NIWA

Ref Product: wire:nw_uno_50

Ref Mcmining: LAMPSOLUNO50-NIWA

Description	
Image not found or type unknown	
Main features	
	50 Lumen Brightness Solar LED Light
	All-in-One Re-chargeable Solar Light
	5x Longer Lifetime (2000 cycles battery)
	Ultra Cost-efficient Design
	Comfortable 2x Light Mode Slider
	User-friendly Multi-flex Design
	Solid Engineering & Durable Materials
Applications - Benefits	
	Study / Reading Light
	Home / Small Business Light
	Task Light
	Cooking Light
	Outdoor Light
	Always-Ready light backup for situations of power-cut or missing electricity supply
	Cost savings in comparison to kerosene, gas and disposable batteries
Technical specification	
Light Technology	LED
Color Temperature	4700 - 5300 K White
Color Rendering (CRI)	85 Ra
Light Modes	50 lm & 20 lm
Solar Charge Duration	1 full day of bright sun
Certificates	CE, EMC, RoHS
Limited Warranty	24 Month
Battery	LiFePo4
Battery Lifetime	up to 2000 cycles

Lamp Input	2mm pin / DC 5V
Solar Panel	Polycrystalline
Solar Runtime	
Standards	20 lm = 5 hrs
Hight	50 lm = 2hrs
