BAREFOOT POWER Connect 2000

Marque: BAREFOOT

Ref Product: wire:BF-Connect2000

Ref Mcmining:

Description
BAREFOOT POWER Connect 2000

The "Barefoot Connect 2000" provides: two bright LED tubes (290 lumens each) to light up two main rooms; two LED pendant lights (75 lumens each); a security light; extension leads with switch; 20W solar panel; 12v12Ah SLA battery, and the all important control hub. (The high-tech controller extends the life of your battery and provides constant power through the USB and 12V outputs. Two USB outputs allow charging of two phones or devices at once, keeping you and your family connected and contactable).
The system is a simple "plug-and-play" installation that will have you up and running in no time!
The Barefoot Connect 2000 is upgradable. Larger batteries and panels up to a total of 60W can be added to the system.
Cable reach of lamps: 3m for each lamp, 8m per security lamp
PLUS: 2 x 5m switch cables; 1 x 7m switch cable; 1 x 9m switch cable
Barefoot Power provides a 24 month warranty on all Connect systems and components.
