LEADER IN INDUSTRIAL TOOLS & EQUIPMENT

Technical sheet

Cadenas GRANIT Profil 37-60 B-EFSPP - SZP

Marque: ABUS - GERMANY

Ref Product: wire:79151

Ref Mcmining: ABUS-37/60-B/EFSPP

Description	

GRANITâ„¢ padlock with ABUS-Plus disk cylinder, made in Germany - highest protection against manipulation
Lock body and shackle made of special hardened steel
Double ball locking mechanism for extreme pulling resistance
Available with security card for protection against unauthorized key duplication
Granit padlock ABUS 37/60 â€“ the padlock for highest security requirements.
The 37/60 Granit is best used to secure halls, doors, gates, containers, trucks etc.
Due to the Black Granit anti-corrosion coating, the lock is well suited for outdoor applications. The ABUS-Plus disk cylinder makes the lock very hard to pick.

The Granit series is completely made in Germany.
For comfortable use in the darkness, one of the two included keys is equipped with an LED light.
Granit locks are available either with a code card for easy key reproduction or with a security card for full control over the amount of spare keys in circulation.

Technology:	

ABUS-Plus disc cylinder: highest protection against manipulation
Body and shackle made from hardened alloy steel
Black Granit coating for even more corrosion resistance
SZP: comes with security card to protect against unauthorized key duplicates
2 keys, 1 with LED light
Shackle guard protects against attacks with tools
Cylinder inserted from the top: optimum drill and pull resistance
Shackle can be taken out
.

Operation and use:	

To secure valuables/goods of great value or at a very high risk of theft
Meets special requirements of insurance companies
Certified and approved padlock
To secure e.g. warehouses, industrial sites, factory gates, containers and lorries
Ideal in combination with ABUS high-security hasp No. 130
