Technical sheet

Cadenas Granit Profil 37RK/70 B/EFSPP - SZP

Marque: ABUS - GERMANY

Ref Product: wire:79162

Ref Mcmining: ABUS-37RK/70-SZP

Description	
GRANIT™ padlock with ABUS-Plus disk cylinder, made in Germany - highest protection against manipulation Lock body and shackle made of special hardened steel Double ball locking mechanism for extreme pulling resistance Available with security card for protection against unauthorized key duplication Granit padlock ABUS 37/60 â€“ the padlock for highest security requirements. The 37/60 Granit is best used to secure halls, doors, gates, containers, trucks etc. Due to the Black Granit anti-corrosion coating, the lock is well suited for outdoor applications. The ABUS-Plus disk cylinder makes the lock very hard to pick. The Granit series is completely made in Germany. For comfortable use in the darkness, one of the two included keys is equipped with an LED light. Granit locks are available either with a code card for easy key reproduction or with a security card for full control over the amount of spare keys in circulation.
