Elastomeric Half Mask 5500 SERIES

Marque: NORTH

Ref Product: wire:550030

Ref Mcmining: MAS550030M-NORTH

Specification:	
	Elastomeric Half Mask The 5500 Series is ideal for subcontractors and plant visitors. The soft elastomeric facepiece material is comfortable for hours of wear, yet the mask is priced to satisfy the thriftiest purchasing manager. Reusable half mask North half masks feature a contoured sealing area for maximum fit and comfort. The low “dead air” space increases worker comfort and productivity. The enhanced cradle suspension is easy to adjust and sits securely on the crown of the head. All replacement parts are the same for both the 5500 and 7700 Series to help you keep your inventory under control. Both Series are available in small, medium and large, and are latex free. Refer to 10 for a list of cartridges and filters*. **MADE IN USA**
