Elastomeric Full Facepiece 5400 SERIES

Marque: NORTH

Ref Product: wire:54001

Ref Mcmining: MAS54001-NORTH

Specification:	
	Elastomeric full facepiece The economical choice without sacrificing comfort and worker protection. The lightweight 5400 Series full facepiece is made from a soft elastomeric material, and features a four strap head harness. Provide both respiratory and eye protection with North's full facepieces. These models feature a hard coated polycarbonate lens with 200° field of vision, and meet ANSI Z87.2003 for high impact protection. The nose cup reduces fogging and increases worker productivity by limiting the re-breathing of workers' exhaled breath. The 5400 and 7600 Series are available in small and medium/large, and are latex free. Refer to page 10 for a list of cartridges and filters . **MADE IN USA**
