115mm 1200W Angle Grinder Paddle Switch

Marque: DEWALT

Ref Product: wire:DWE4212-B5

Ref Mcmining: DEWALTDWE4212-B5

DESCRIPTION	
DWE4212-B5	
115mm 1200W Angle Grinder Paddle Switch	
Features	
A non locking paddle switch ensures the grinder switches off automatically when the unit is released High effeciency motor design improves performance in demanding applications Dust ejection system removes majority of debris from the air which passes over the motor, preventing abrasion and tracking Small girth allows user to maintain a comfortable grip, resulting in superior ergonomics Anti-vibration side handle to improve user comfort The compact gear case allows access to confined areas Fully leaded stator windings for increased motor durability Pop off brushes protect the armature from damage at the end of brush life resulting in greater motor durability Abrasion protected motor for increased durability Anti lock flange prevents the flanges from permanently locking up and locking the disc on Recessed spindle lock design allows max depth of cut and greater protection to button when using in confined spaces	
Includes	
(1) 115mm Protective guard (1) 125mm Protective guard (1) Inner and outer disc flange (1) Spanner (1) Multi positioned anti vibration side handle	
Specifications	
Diameter [Metric]	115 mm
Disc Diameter [Metric]	115 mm
Power Source	Corded
Number of Pieces	1
Power	1200 W
Is it a Set	No
Packaging	Carton
