Technical sheet

REINOL No 2 - Solvgard barrier cream against solvents

Marque: REINOL

Ref Product: wire:01H12B

Ref Mcmining: REINOL01H12B

Specification	
	Oil-in-water emulsion, silicone free. Forms invisible, dense protective layer against solvents such as thinners, petrol, diesel, paraffin, and turpentine. It also shields against toxic powders. Provides long-lasting protection, yet still allows the skin to breathe. Dry non-greasy; leaves no filmy deposits. Simply washes off with water.
Composition	Oil-in-water emulsion containing waxes, oils, zinc oxide and special skin care ingredients, such as allantoin.
Content	500 ml
Brand	REINOL
