Technical sheet

Hammer Drill - SDS Plus Rotary Hammer Drill

Marque: DEWALT

Ref Product: wire:D25404K-QS

Ref Mcmining: DEWALTD25404K-QS

Feature	
	Ideal for drilling large anchor, fixing and through holes in concrete and masonry from 6 to 32mm in diameter - Rotation-stop for light chiselling applications, render and tile removal - Impact-stop for drilling in wood, ceramic, steel and screwdriving applications - Large hammer mechanism construction guarantees longer tool life and superior performance - Outstanding ergonomic D-Handle design with rubber coated handle provides comfortable and secure grip in any application - Electronic variable speed switch for total control - Quick Change feature enables rapid change of the SDS-Plus toolholder reducing down time - Quick Change 3 jawed chuck provides speed, precision and flexibility when drilling in wood, ceramic and steel (available as accessory) - High power 900W 73mm motor ensuring excellent performance in all drilling applications - High technology transmission design cuts friction losses delivering smooth quiet operation - Standard - heavy duty carrying case - multi-position side handle - quick release removeable tool holder
Specifications	
	Power Input: 900 Watts Power Output: 550 Watts No Load Speed: 0-730 rpm Blows per Minute: 0-4100 bpm Impact Energy: 0-4.8 J Tool Holder: SDS-Plus Morse Taper Max. Drilling Capacity [Wood]: 40 mm Max. Drilling Capacity [Metal]: 16 mm Max. Drilling Capacity [Concrete]: 6-32 mm Max. Drilling Capacity [Core bit]: 90 mm Weight: 4.8 kg Length: Height: 230 mm Length mm: 385 mm
Brand	**DEWALT**
