Technical sheet

Stinger Yellow Jacket™ 4’x4’x8”

Marque: ENPAC

Ref Product: wire:5700-YE

Ref Mcmining: EN5700-YE

Description	
The ENPAC Corporation Part number 5700-YE Yellow Jacket Berm uses unique snap-up sidewall supports mounted on the exterior; there is nothing to interfere with the interior berm space or present decontamination concerns. Sidewalls collapse in either direction and snap back automatically to there upright position, to exit the straps must be released. The straps may be reversed or replaced. The Snap-Up Berm is made of rugged and resistant 22-oz./26 MIL polyester reinforced vinyl materials. The available color is Yellow, others available upon request.
