Reference Number	1011410
Product Type	Eye and Face Protection
Range	Spectacles
Brand	Honeywell
Brand formerly known as	PULSAFE
Industry	
	Administration
Product Use	
	For use with the Pulsafe XC Spectacle
Features and benefits	
	Thanks to this new Rx insert Pulsafe, XC spectacles can now accommodate plano and prescription lens wearers. Now Rx wearers can have the same great XC protection!
	- Rx Insert fits securely behind the spectacle lens
	- XC is certified for impact against EN 166, FT : excellent impact protection (particles at 45m/s) in extreme hot or cold working conditions
	- XC offers high level of UV filtration protection: EN 166, 2C-1.2 Reduces Costs
	- Less expensive than an Rx Safety Frame
	- Reduces no. eyewear styles per plant
	- XC lens protects Rx lens, greatly reducing high cost of replacing Rx lens
	- Designed to fit a wide variety of prescription lenses User Comfort and Style
	- XC offers adjustability and soft material not available on most Rx frames
	- More attractive and less bulky than current over-the-glasses eyewear Pulsafe XC Eyewear: The difference is X-tra clear
	Benefit
	Now Rx wearers can have the same great XC protection! In cases of significant risks and frequent mechanical splashing, the interior insert device on the Pulsafe XC spectacles help to preserve the corrective lenses lastingly.
