FOSERA POWER LINE tubelight 400 Lumens

Marque: FOSERA

Ref Product: wire:fos_pwrline_tubeligh

Ref Mcmining: LAMPSFOSTUBLIGH400

Description	
	fosera POWER LINE tubelight 400 Lumens
	fosera uses the latest, most efficient LED technology that produces bright light for a very long time. The new tube design combined with a diffusion technology illuminates rooms uniformly, ideally for bars, shops and all kind of workspaces, which require bright illumination.
	As latest product in fosera's 12V POWER LINE our tubelight is designed to match perfectly with fosera's LSHS systems.
