Marque: MASTERLOCK

Ref Product: wire:4130

Ref Mcmining: MASTER4130

Features and benefits	
- 1-1/8in (29mm) wide brass body provides resistance to the elements - 9/16in (14mm) tall, 3/16in (5mm) hardened steel shackle - Non-rekeyable, 4-pin tumbler cylinder provides pick resistance	
Product Details	
The Master Lock No. 4130 Economy Padlock features a 1-1/8in (29mm) wide brass body to resist the elements and a 9/16in (14mm) tall, 3/16in (5mm) diameter hardened steel shackle for excellent cut resistance. Ideal for cabinets & fences, the non-rekeyable 3-pin tumbler cylinder provides greater pick resistance. - Master Lock V Line brass padlocks are a complete range of day-to-day commercial padlocks available to purchase keyed alike or keyed to differ. - They have a solid brass body and cylinder to provide extra resistance against the elements. - The case hardened shackle resists sawing and filing and the pin tumbler cylinder provides resistance against picking. - Supplied with 2 keys and a Lifetime Warranty against mechanical failure. Suggested Uses: Lockers, trunks, cupboards, sheds, residential gates and storage units.
