Product Details	
The Master Lock No. 4140 Economy Padlock features a 1-1/2in (38mm) wide brass body to resist the elements and a 13/16in (20mm) tall, 1/4in (6mm) diameter hardened steel shackle for excellent cut resistance. Ideal for cabinets & fences, the non-rekeyable 4-pin tumbler cylinder provides greater pick resistance. - Master Lock V Line brass padlocks are a complete range of day-to-day commercial padlocks available to purchase keyed alike or keyed to differ. - They have a solid brass body and cylinder to provide extra resistance against the elements. - The case hardened shackle resists sawing and filing and the pin tumbler cylinder provides resistance against picking. - Supplied with 2 keys and a Lifetime Warranty against mechanical failure. Suggested Uses: Lockers, trunks, cupboards, sheds, residential gates and storage units.
