Mc MINING GROUPE PICHORI Quality First

LEADER IN INDUSTRIAL TOOLS & EQUIPMENT

Technical sheet

Steel Carpenter’s Square

Marque: STANLEY

Ref Product: wire:45-600

Ref Mcmining: PRS45-600

Description	
45-600	
Steel Carpenter’s Square	
Features & Benefits	
- High tempered aluminum for maximum durability - Lumber Scale - Board Feet Equivalent - Decimal Equivalent Table - Fractions to Decimals - Metric Conversion Table - Inches to Meters - Formula for Squaring a foundation - Deep, long wearing gradations for easy reading - Protective lacquered coating resists corrosion	
Product Specs	
Blade Length (in)	16 x 1-1/2 in
Blade Length (mm)	406mm x 38mm
Graduation	2
Material	Aluminum
Rule Length (in)	24 x 2
Rule Length (mm)	61051
Style	English/Metric
