Technical sheet

Air Blower 600 W, 16000 RPM, 2.8 m3/min

Marque: AEG - GERMANY

Ref Product: wire:GM600E

Ref Mcmining: AEGGM600E

DESCRIPTION:
GM600E
Air Blower 600 W, 16000 RPM, 2.8 m3/min **GERMANY**
Product Specification for AEG GM600E Air Blower 600 W, 16000 RPM, 2.8 m3/min
FEATURES
Variable Speed control switch to adjust the air flow as per the cleaning job
High quality vacuum bag for effective dust collection
Lock on Switch for Continuous work
Double Insulation
For Efficient Usage
Ergonomical Design
For Professional Usage
Light Weight
APPLICATIONS
Drying of paints
Cleaning the area by blowing off the dirt and also hard to reach areas
Removing debris or garbage
Removing light, fluffy snow
Removing the dead leaves from the ground
In maintenance of electronic items like CPU, Air Conditioner, Music Systems
SPECIFICATION
Air Volume: 2.8 m3/min
Frequency: 50 hz
Item Weight: 1.9 Kg
Material Type: Plastic & Metal
Model: GM600E
No Load Speed: 16000 RPM
Power Consumption: 600 W
Product Dimensions (LxBxH): 280 x 150 x 200 mm
Variable Speed (Y/N): No
Color: Orange & Black
