STANDARD N95 DISPOSABLE RESPIRATORS

Marque: NORTH

Ref Product: wire:7140N95

Ref Mcmining: MAS7140N95-NORTH

Specification:	
	North 7130N95 and 7140N95 disposable respirators are the disposable workhorse you have been looking for. Ideal when workers must wear masks for extended periods. Available with or without an exhalation valve. NIOSH approved N95 for use in non-oil environments. **MADE IN USA**
Feature:	
	- Closed cell foam nose pad - Curved nose clip - Latex Free - Nose pad covers wider area - Exhalation valve on 7140 mask
Function:	
	- Smoother surface - Creates a cushion between the nose and the mask - Follows the contours of the userâ€™s nose - No common allergens - Better fit for more facial types - Limits build up of warm, moist exhaled breath - Lessens carbon dioxide build up
Benefits:	
	- Extremely soft and comfortable - More secure seal - Superior seal at the nose bridge - Worry free for you and your workers - Fit more workers with one mask - Cooler, more comfortable - Increased worker productivity
Parts:	
7140N95, S	Disposable respirator with valve. Small or medium/large size
